### ?WEBINARS, Anyone?

IBMA will be organizing a new slate of monthly webinar topics, presenters and dates for 2013, to be announced in the February 2013 newsletter and online at [www.ibma.org](http://www.ibma.org) <sup>[2]</sup>.

Do you have a particular bluegrass industry-related topic you've been wanting to learn more about? Topics may include repeats or updates from previous topics, ideas based on World of Bluegrass 2012 seminars and professional development sessions, or entirely new ideas.

Send your suggestions to [info@ibma.org](mailto:info@ibma.org) <sup>[3]</sup>. Please include topic name and suggested presenter if you have someone in mind.
